

The LORDSHIP OF CHRIST.

TEXT: Act 2:36 -37

SUB-TOPIC: WHY JESUS WANTS TO BE OUR LORD.

NOTE: why is Jesus bothered to be involved in our lives? Why doesn't he leave us in our misery? But because of his love for us he wants to get involved in our lives.

1. For our sins he came to the world to die for us.
2. He leaves his life for us. John 17:19
3. He delivers us and bought us from the slavery of sin and the hand of Satan.

The purpose of his lordship is not to lord over our lives by force to become a burden to us but the purposes are:

1. To provide guidance which is very important to our lives. Psalm 32: 8-9, James3: 3
2. His words provide guidance for us. Psalm 119:9
 - a) Taking heed Psalm 119:9
 - b) Hidden it in our heart verse 11
3. Lordship of Jesus involve following his example:
 - a) His faith
 - b) His word. 1Tim. 6:3-5
 - c) His manner of live. 2Tim 3:10-12, Act 1:21-22
4. We release and live anything that has to do with us in his hand. Matt 19:27-29, Matt.6: 24-34

Always remember God has our best interest at heart. Let us accept his offer of Lordship – He will lead us to our place of rest.

Assignment: Read John 17 and mark out the verses for the following words:

- Keep them from the evil ones
- Sanctify them
- They all may be one
